

Reflect on the topic

Working silently and individually, have each person create a few sticky notes in all four quadrants below for about five minutes. With the remaining time, discuss notes in each quadrant.

Retrospective

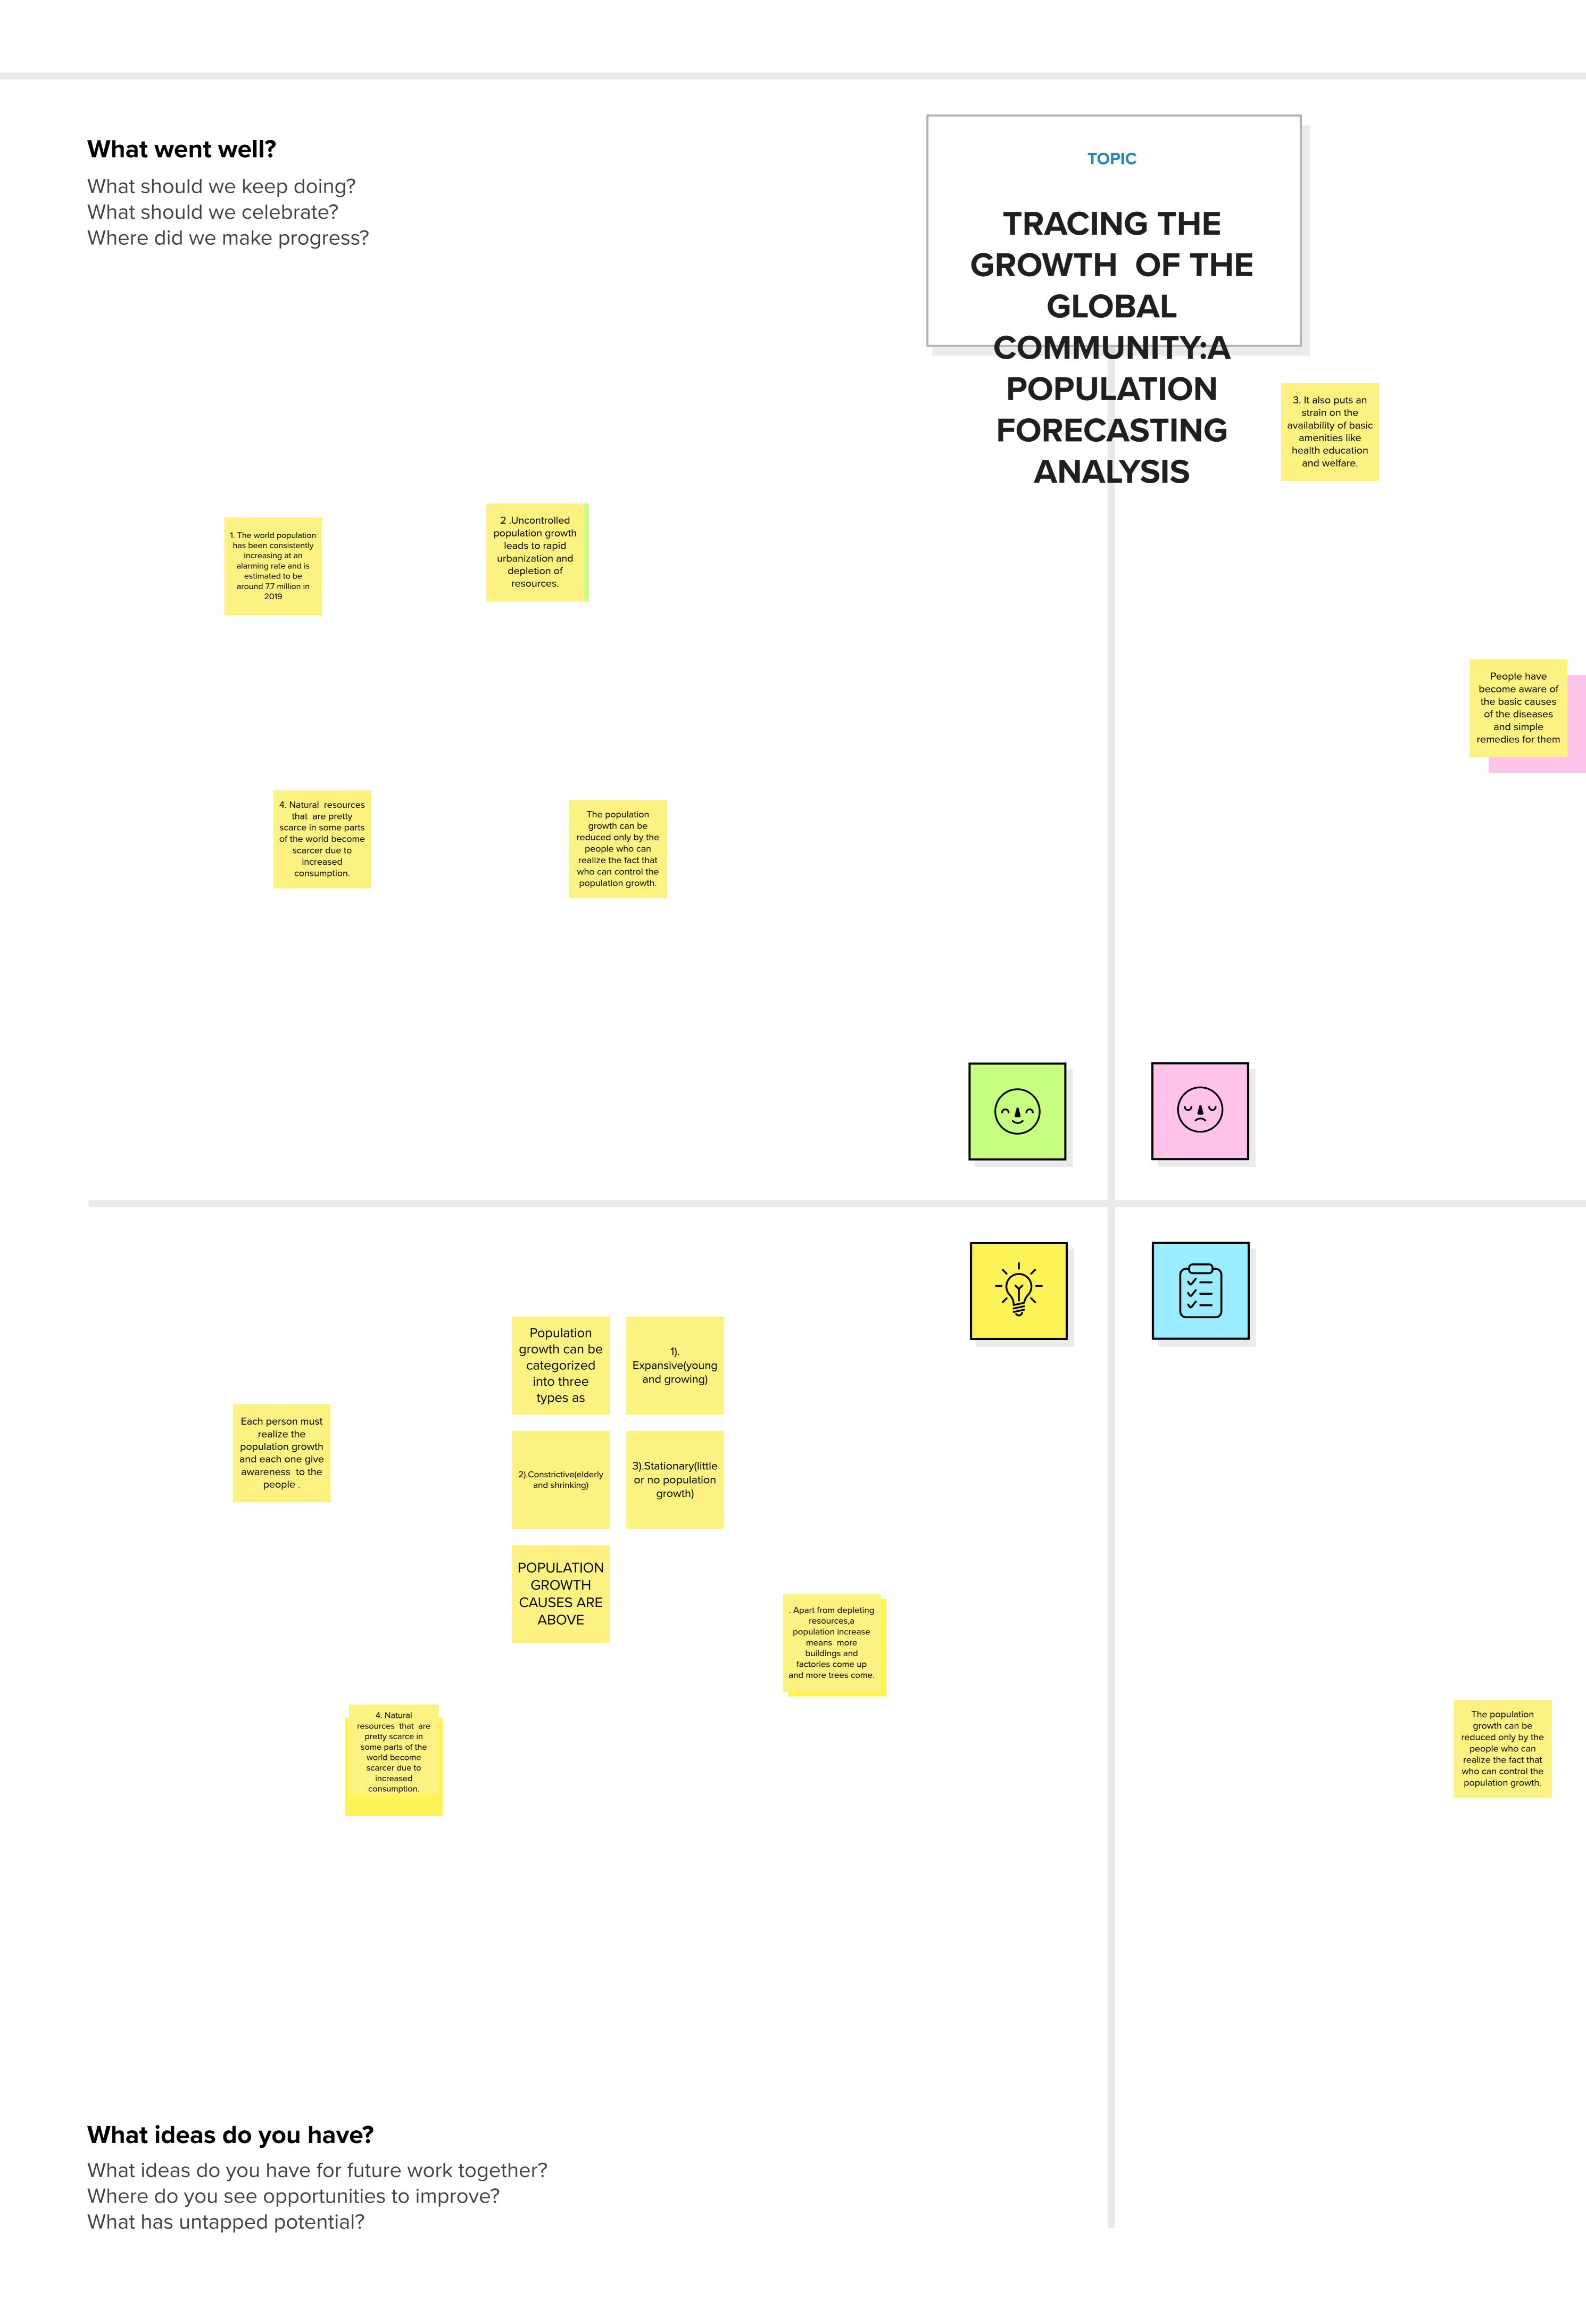

Use this framework to reflect on recent work. This simple structure is useful both alone and in groups.

. Apart from depleting resources,a population increase means more buildings and factories come up and more trees come.

The Major cause of the population

growth is the decreasing in the death rate and rise in the life span of the

average individual.

Currently the large

population country

in the world in china and india is the second populated country.
